Welcome 2021 with #jenniferedwardsoncreativeinc

This month at Jennifer Edwardson Creative Inc. we are focusing on GOALS ... Don't panic... these are NOT crazy, unattainable resolutions ... these are things that you will work towards ... and achieve throughout 2021 !!

Together we are going to record them in a crafty way, because if they are in front of us, we have a better chance of holding ourselves accountable !!

I'm going first ... for me, I rely on schedules and lists SO we are creating a Calendar of Events for each month ... let's get started !!

Get ready crafty friends ... it's going to be a great year XOX
