Cut a piece of white cardstock that measures 4" x 5 1/4". Take out the circle stencil from the Fernwood Botanical Stencil Set. Place the stencil in the middle of the white cardstock piece. Using a blending tool with foam, blend Mustard Seed Distress Oxide Ink through six of the circles. Reapply ink as needed. From the Simple Sentiments Clear Stamps, you'll need the Thinking of You sentiment. Apply Ground Espresso Distress Oxide Ink to the sentiment and stamp in the bottom right corner of the white cardstock piece. Distress the edges of the white cardstock piece. Ink the edges of the white cardstock piece using Ground Espresso Distress Oxide Ink and a blending tool with foam.

Next, you'll need to cut out the leaf border from the Fall Bundle Cut File from the Midnight Color Vibe Cardstock out of the Hearth & Home Creative Kit. Cut the leaf border down to 4 1/4".

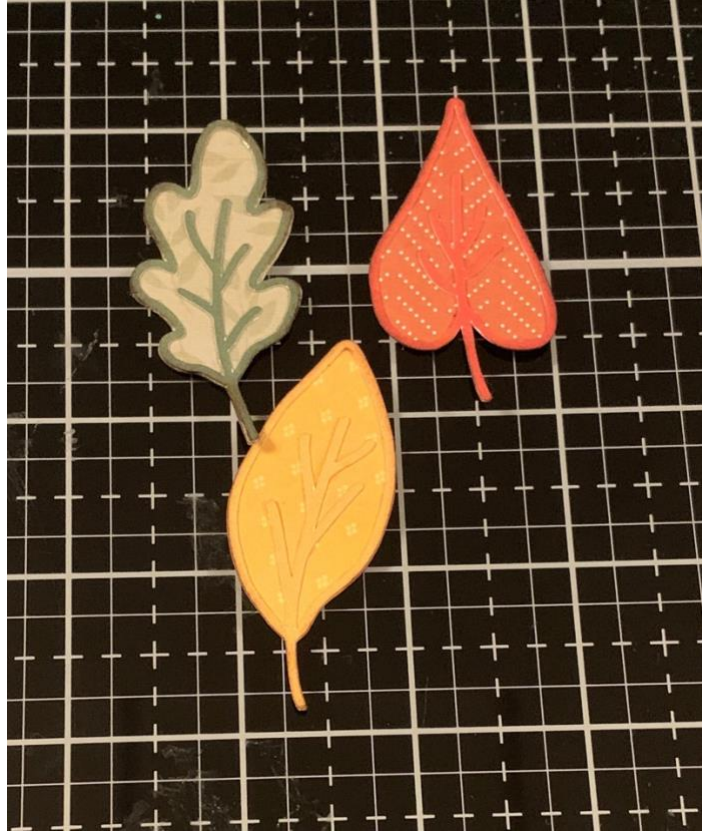

Choose three pieces of patterned paper from the Hearth & Home paper pad. I chose a green, mustard and pumpkin coloured papers. You will also need the following coordinating colour vibe cardstock papers – pumpkin, mustard and pine. From the Fall Icon Bundle Cut File you'll need to choose three leaves. For each of the leaves, you will need to cut one out of the colour vibe cardstock of choice. For the same leaf, this time just cut out the shape of the leaf out of the coordinating patterned paper that matches the color vibe cardstock.

Adhere the woodgrain paper $\frac{1}{4}$ " from the left and $1\frac{1}{4}$ " from the top of the white cardstock piece. Adhere the leaf border $\frac{1}{4}$ " from the bottom of the woodgrain paper. Adhere the green plaid paper $\frac{1}{2}$ " from the left and $1\frac{1}{4}$ " from the bottom of the white cardstock piece.

Adhere the coordinating cardstock leaves to the patterned paper leaves. Ink the edges of the leaves using Ground Espresso Distress Oxide Ink and a blending tool with foam.

Foam square the leaves in the middle of the two patterned paper strips.

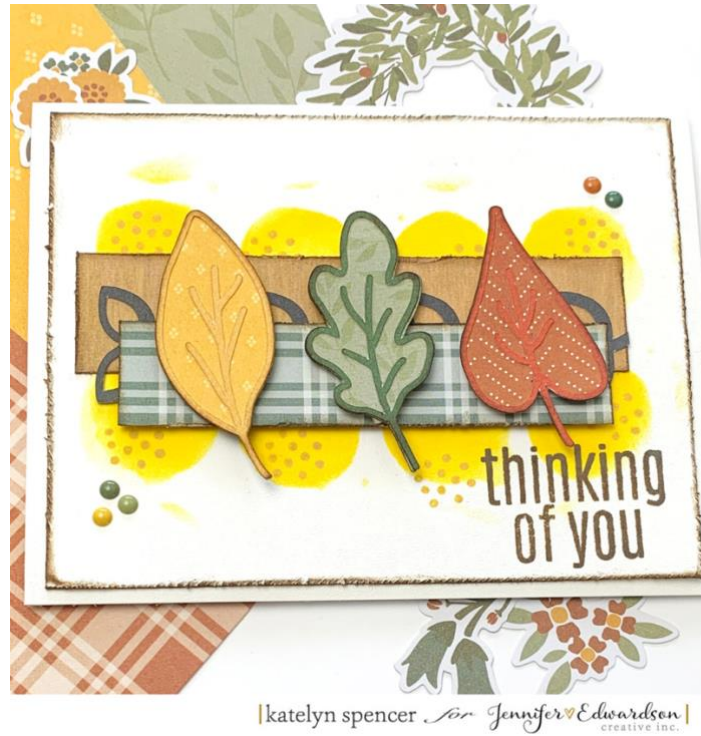

From the Hearth & Home Creative Kit, you'll need the enamel dots. Add three in the bottom left corner as desired. Add two in the top right corner as desired.

To finish the card, cut a cardbase out of white cardstock that measures 4 ¼" x 11", score at 5 ½". Adhere the cardfront to the cardbase.
