To create this card set, you'll need the Kid At Heart Creative Kit, Summer Bloom & Simple Sentiments Clear Stamp Sets, Summer Bloom & Simple Sentiments Cut Files, Simple Title & Number Bundle, a variety of PinkFresh Studio Ink, a variety of Distress Oxide Inks and a couple of stencils.

The first Thank you Card we will create is the red background one.

To start, cut a piece of white cardstock that measures 4 ¼" x 4 ¼". Take the floral stencil out of the Fernwood Greenery Stencil and place it on the white cardstock piece. Using a blending tool with foam, blend Barn Door Distress Oxide Ink through the stencil as desired. Remove stencil.

From the Summer Bloom Clear Stamp, you'll need the cluster of dots. Apply Sweet Mustard Ink to the stamp and stamp randomly in amongst the stenciled image as desired. You'll stamp a

total of five times and reapply ink to the stamp as needed. Next, you'll need the single dot from the Summer Bloom Clear Stamp. Using any or all the following colours - Berrylicious, Sweet Mustard, Coral Reef, Slumber and Fresh Pear apply the ink to the stamp. You'll need a total of ten dots on the white cardstock piece as desired. Distress the edges of the cardstock piece.

Choose three patterned papers out of the Kid At Heart Creative Kit. Cut one piece down to 5" x 5". Cut the second piece down to 4 ¾" x 4 ¾". Cut the third piece down to 4 ½" x 4 ½". Distress the edges of all the pieces.

Choose two of the patterned papers you already used, cut one piece down to 1" x 4", tear the bottom portion on an angle. Cut the second piece down to $\frac{3}{4}$ " x 3 $\frac{3}{4}$ ", tear the bottom portion on an angle. Distress the edges of both pieces.

From the Simple Sentiments Clear Stamp, you'll need the Thank You sentiment, dandelion and berry branch. Using the Simple Sentiments Cut File, cut out the berry branch, dandelion and Thank You sentiment. Apply Coral Reef Ink to the Thank You sentiment and stamp onto the coordinating cut cardstock Thank you. Apply Sweet Mustard Ink to the berry branch stamp and stamp onto the coordinating cut cardstock berry branch. Apply Slumber Ink to the dandelion stamp and stamp onto the coordinating cut cardstock dandelion.

From the Summer Bloom Clear Stamp, you'll need the long branch, short branch, and flower with six petals. Using the Summer Bloom Cut File, cut out the long branch, short branch, and flower with six petals. Apply Coral Reef Ink to the short branch and stamp onto the coordinating cut cardstock short branch. Apply Fresh Pear Ink to the long branch stamp and stamp onto the coordinating cut cardstock long branch. Apply Berrylicious Ink to the flower with six petals stamp and stamp onto the coordinating cut cardstock six petal flower. Apply Sweet Mustard Ink to the cluster of dots and stamp in the middle of the six-petal flower.

Take a blue piece of dotted cardstock and cut out the Number Bundle from the Simple Title & Number Bundle. Choose one of the numbers.

Adhere the 4 ½" patterned paper piece to the 4 ¾" patterned paper piece. Adhere the 4 ¼" patterned paper piece to the 4 ½" patterned paper piece.

Foam square the 4 ¼" cardstock piece to the 4 ½" patterned paper piece.

Adhere the 1" patterned paper piece 1" from the left and $\frac{1}{4}$ " from the top of the white cardstock piece. Adhere the $\frac{3}{4}$ " patterned paper piece 1 $\frac{1}{2}$ " from the left and $\frac{3}{8}$ " from the top of the white cardstock piece. Adhere the long and short branch as desired to the top portion of the two patterned paper pieces you just adhered.

Adhere the dandelion slightly over top of the short branch. Adhere the berry branch slightly overtop of the long branch. Adhere the number circle at the bottom portion of the berry branch. Foam square the flower overtop of where all the branches meet. Use adhesive and foam squares to adhere the Thank Sentiment to the right of the flower as desired.

Cut a cardbase out of white cardstock that measures 5" x 10", score at 5". Adhere the cardfront to the cardbase.

Now, we will create the other Thank You Card.
