

Layout #24 - October 2020

Supplies Required:

- (1) 12x12" CS for base (lighter colour preferred)
- (2) PP min 4x12"
- (3) washi tapes (PP Strips work as well)
- I used a journal card from our BASICS printable
- (1) 5x7" photo ... alternate sizes would also work
- Alphas and Embellishments
-

PLEASE NOTE: I will be creating a heat embossed base using stamps, Versamark and embossing powder. If you don't want to do this, you can stamp with ink only or use stickers/ephemera OR leave your base plain ... lots of choices !!

Instructions:

- 12 x 12" CS base (lighter color preferred)
- Stamp and Heat Emboss a pattern on the left half of your base (solid stamped images or multiple of the same sticker would work if you weren't interested in stamping)
- Cut (1) PP to 4 x 11"; Border punch left edge and adhere 2 3/4" in from right edge of base
- Adhere an 11" strip of washi to right edge of last PP
- Adhere (1) strip of washi tape to your base against right edge of 1st washi
- Adhere (1) strip of washi tape to CS and border punch; Adhere this to right edge of last washi strip
- You will have a section of your base showing to the right of your tape strips. This width will depend on the size of your border punch
- Cut (1) PP to 4 x 8"; Border punch left edge and adhere overlapping first PP, 4 1/2" in from left edge of base
- Adhere 5 x 7" photo raised with right edge at left edge of 2nd washi strip as shown
- Title and Embellish as desired
