

Layout #14 - August 2020

Supplies Required:

- (1) 12x12" white CS base
- (6) PP pieces min. 4 x12"
- PHOTOS: (2) 3x4" (1) 2x2"
- Alphas and Embellishments

OPTIONAL: a coloured ink pad, small water spray bottle and a small sponge. We are going to create a pretty base on the cardstock. You don't have to do this if you don't want ... a plain CS base is just fine too ... but I'm going to share an easy and fun ink technique that you might like to use again on other projects.
