## Instructions:

- 12 x 12" PP base
- Cut (1) PP to 11 1/2 x 11 1/2"; Adhere flat onto base
- To create this grid, I included multiple photos, photo mats and patterned papers. The MAIN size of every space is 2 1/2 x 3 1/2" ... you will use this size to build each space
- I used a mix of 2 1/4 x 3 1/4" photos onto CS and PP mats that were 1/4" larger (2 1/2 x 3 1/2")
- Lay ALL your pieces out onto your base and then adhere one at a time in the arrangement you choose
