

## Here & Now and Life Captured Tag Set by Katelyn

Hey Friends! I'm up on the blog today sharing a tutorial on how to make these cute Here & Now and Life Captured Tag Set, I've used the Craft & Create Creative kit as well as the Irregular Weave Bundle and the Love You Tags Cut File. Grab a cup of your favourite Fall beverage and enjoy my tutorial on how to create my tag set.

To start, you'll want to choose one of the patterned papers. Cut out the three hearts tag from the patterned paper. I cut out mine to measure 3 1/2" x 6 1/4". Make sure to cut the hole out at the top of the tag. Ink the edges of the tag using Detail Black Ink and a blending tool with foam.

Trace the die cut tag around one of the cardstock pieces. Cut out the cardstock tag. Make sure to cut the hole out at the top of the tag. Ink the edges of the tag using Detail Black Ink and a blending tool with foam.

Fussy cut two of the spools out. From the other side of the paper, fussy cut three paint brushes out. Ink the edges of all the images using Detail Black Ink and a blending tool with foam.

From the cut apart paper with all the different sized squares, fussy cut a flower rectangle, a tag, a spool top and a thimble. Ink the edges of all the images using Detail Black Ink and a blending tool with foam.

From the 4x6 card that has the mannequin on it, fussy cut it out. Ink the edges of the mannequin using Detail Black Ink and a blending tool with foam.

From the border strip paper, fussy cut two of the cross stitch thread bunches. Ink the edges of each bunch using Detail Black Ink and a blending tool with foam.

Out of the ephemera and the frames & tags packs, you'll need a square floral frame, the ruler and fussy cut the spool with flowers from the tag. Ink the edges of all the pieces using Detail Black Ink and a blending tool with foam.

Next, you'll need the plain heart and the Life Captured from the Currently Journaling Clear Stamp Set. Apply Blueprint Sketch Distress Ink to the Life Captured and plain heart and stamp onto a piece of white cardstock. Reapply ink to the plain heart and stamp four more times onto the white cardstock piece. Reapply ink as needed. Cut the Life Captured into a strip and fussy cut the the hearts out. Ink the edges of the hearts and life captured using Detail Black Ink and a blending tool with foam.

Adhere the heart tag to the cardstock tag.

Adhere the ruler 1" from the bottom and  $\frac{1}{8}$ " from the left of the tag. Foam square the floral square  $\frac{3}{4}$ " from the bottom and  $1\frac{3}{8}$ " from the left of the tag.

Adhere the three paint brushes to the frame as desired. Use adhesive and foam squares to adhere the mannequin  $\frac{1}{4}$ " from the right and  $2\frac{1}{2}$ " from the top of the tag.

Adhere the floral rectangle 1" from the left and 1" from the bottom, it will sit on the floral frame. Adhere the tag 1 1/4" from the left and 1 1/4", it will sit on the floral rectangle. Adhere the thread spool to the right of the tag as desired.

Adhere one of the spool tops to the right of the thread spool. Adhere the remaining two spool tops to the bottom portion of the tags as desired.

Foam square the Life Captured strip to the tag by the thread spool as desired. Adhere the five hearts as desired around layered images as desired. Adhere the two thread bunches to the top left corner of the tag as desired.

Now, we will make the Here & Now Tag.
