To create this wall hanging, you'll need the NEW Green Thumb Cut File Bundle, Floral 4x6 Frame Cut File, a variety of Colour Vibe Texture Cardstock, and Life in Bloom Creative Kit.

Cut the Floral 4x6 Cut File out of a piece of White Cardstock. Back the flowers and leaves using Green and Olive Colour Vibe Textured Cardstock and three patterned papers out of the Life in Bloom Creative Kit. Cut a piece of Warm White Colour Vibe Textured Cardstock that measures 4 1/4" x 6 1/4". Adhere the plain side of the cardstock piece to the middle of the floral frame.

Out of the Green Thumb Cut File Bundle, size the You Grow Girl title to 1" x 5 1/2". Cut the title out of a piece of Charcoal Colour Vibe Texture Cardstock. Back the title out of a piece of patterned from the Life in Bloom Creative Kit.

From the Green Thumb Cut File Bundle, you'll need two of the tall plants and one of the succulents. Size the images down to 2" and cut out of a piece of kraft cardstock. Back the plants using Green, Olive and Grey Colour Vibe Textured Cardstock as well as a piece of white cardstock.

Use foam squares to adhere the three plant pots to the middle of the floral frame as desired.

Use adhesive and foam squares to adhere the You Grow Girl title to the bottom portion of the plant pots as desired.

To finish the wall hanging, add a piece of twine to the top of the floral frame to create the hanging portion.

Here is the finished You Grow Girl Wall Hanging.
