To create these cards, you'll need the NEW Amazing Women Cut File, Best Mom Cut File, and Wildflower Creative Kit.

To start, we will create the Amazing Women Card.

From the Wildflower Creative Kit, you'll need the patterned paper with the blue butterflies as well as the patterned paper with mustard flowers. Cut the blue butterfly paper to 5" x 6 1/8". Cut the mustard flower paper to 4 3/4" x 6". Sand the edges of both patterned papers.

Next, you'll need to cut a piece of watercolour cardstock that measures 4 1/2" x 5 3/4". Apply Broken China Distress Oxide Ink to a stamp block, spritz with water and stamp onto the watercolour cardstock. Repeat previous step until the watercolour paper is covered. Set the paper aside to dry.

Size the Amazing Women Cut File to 4 3/8" x 5 5/8". Cut the file out of a piece of Grey Color Vibe Textured Cardstock. Back the cut file using two of the patterned papers out of the Wildflower Creative Kit.

Adhere the mustard flower paper to the blue butterfly paper. Adhere the inked watercolour paper to the mustard flower paper.

Foam square the Amazing Women title to the middle of the inked watercolour paper. From the Wildflower Creative Kit, you'll need the enamel dots. Add three enamel dots to the top left corner and two to the bottom right corner of the inked watercolour cardstock piece.

To finish the card, cut a cardbase out of white cardstock that measures 6 1/8" x 10", score at 5". Adhere the cardfront to the cardbase.

Next, we'll create the Best Mom Ever Card.

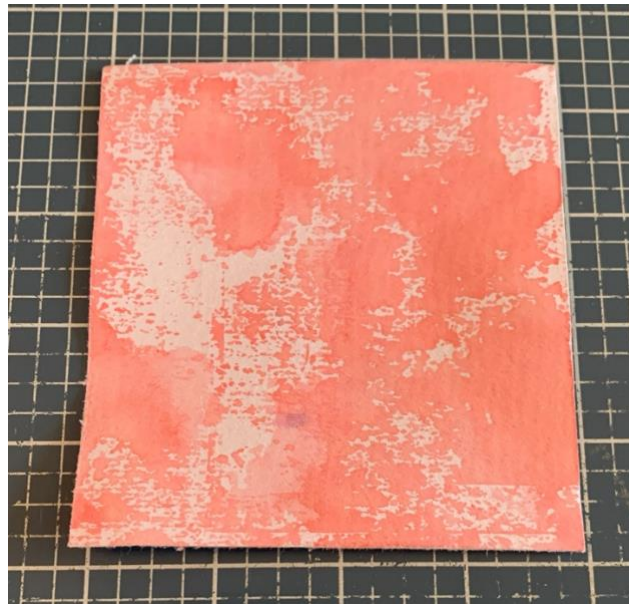

|katelyn spencer for Jennifer Edwards creative inc. |

From the Wildflower Creative Kit, you'll need the patterned paper with the pink gingham patterned paper and the patterned paper with blue flowers. Cut the pink gingham paper to 4 ½" x 4 ¾". Cut the blue flower paper to 4 ¼" x 4 ½". Sand the edges of both patterned papers.

Next, you'll need to cut a piece of watercolour cardstock that measures 4" x 4 ¼". Apply Worn Lipstick Distress Oxide Ink to a stamp block, spritz with water and stamp onto the watercolour cardstock. Repeat previous step until the watercolour paper is covered. Set the paper aside to dry.

Size the Best Mom Watering Can out of the Best Mom Cut File Bundle to 4 ¼" x 3 ¾". Cut the watering can out of a piece of Warm White Color Vibe Textured Cardstock. Back the cut file using two of the patterned papers and colour vibe texture cardstock out of the Wildflower Creative Kit.

Adhere the blue flower paper to the pink gingham paper. Adhere the inked watercolour paper to the blue flower paper.

Foam square the Best Mom Watering Can to the middle of the inked watercolour paper.

From the Wildflower Creative Kit, you'll need the enamel dots. Add two enamel dots to the top left corner and three to the bottom right corner of the inked watercolour cardstock piece. Cut a cardbase out of white cardstock that measures  $4\frac{3}{4}$ " x 9", score at  $4\frac{1}{2}$ ". Adhere the cardfront to the cardbase.

Here are the finished Mother's Day Cards.
