

Hello September Page

To create this Hello September page, you'll need the NEW Hello September Cut File, Simple Vintage Weathered Garden Add On Kit, Summer Bloom Clear Stamps and a variety of Colourvibe Textured Cardstock.

To start, you'll need to cut a piece of white cardstock that measures 6" x 8". Make sure your white cardstock piece is vertical. Place the tile 6x8 Stencil on the white cardstock piece. Using a blending tool with foam, blend Forest Moss Distress Oxide Ink through the stencil as desired. Remove the stencil. Clean the stencil.

Out of the Summer Bloom Clear Stamps, you'll need the small dot, large dot, long leaf branch and short leaf branch. Apply Spiced Marmalade Distress Oxide Ink to the short leaf branch and start stamping in a line 1 5/8" from the left and 1 1/4" from the bottom of the cardstock piece. Reapply ink to the stamp as needed. Apply Spiced Marmalade Distress Oxide Ink to the long leaf branch and stamp 3/4" from the right and 2 3/4" from the top of the cardstock piece. Apply Fossilized Amber Distress Oxide Ink to the large dot and stamp three times on the page as desired. Reapply ink to the stamp as needed. Apply Forest Moss Distress Oxide Ink to the small dot and stamp nine times on the page as desired. Reapply ink to the stamp as needed. Ink the edges of the cardstock using Walnut Stain Distress Ink and a blending tool with foam.

Out of the Simple Vintage Weathered Wood Patterned Paper Pack, you'll need the grey dot, green dot, grey plaid and newsprint paper. Cut the newsprint paper to 2" x 6". Cut the grey dot paper to 2 ½" x 5 ½". Cut the grey plaid paper to 1 ½" x 5 ¾". Cut the green dot paper to 1" x 5 ½". Sand the edges of all the patterned papers.

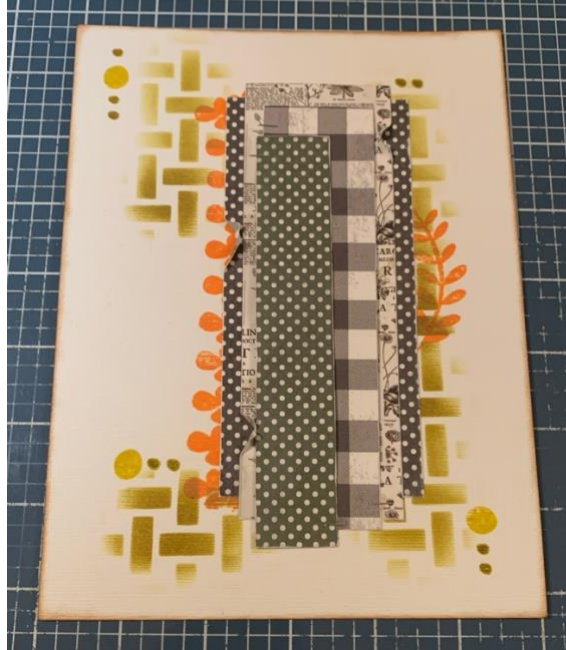

Cut out the Hello September title from a piece of kraft cardstock. I sized it down to 5 ½" x 4". Back the title using patterned paper and colourvibe cardstock.

Adhere the grey dot paper 1 3/8" from the right and 1" from the top of the cardstock. Adhere the newsprint paper 1 5/8" from the right and 7/8" from the top of the cardstock. Tear the patterned papers as desired.

Staple the grey plaid paper 1 7/8" from the right and 1 1/4" from the top of the cardstock. Staple the green dot paper 2 1/2" from the right and 1 3/4" from the top of the cardstock.

Foam square the Hello September title $\frac{1}{4}$ " from the right and $\frac{5}{8}$ " from the bottom of the cardstock.

Out of the Simple Vintage Weathered Garden Add On Kit, you'll need the enamel dots. Stick five enamel dots on the page as desired.

To finish the page, use a paintbrush to splatter Tarnished Brass Distress Spray Stain on the page as desired.

Here is the finished Hello September Page.
